ABOUT THIS PROPERTY

Welcome to our warm and friendly self-catering club lodge.

Built in 1973 by a group of young friends, IHP was designed by an Austrian/Australian architect, giving it a distinctive and unique appearance, surrounded by snow gums. IHP is ideally suited for anyone who enjoys the wonderful alpine environment and sharing stories of their days on the slopes with other guests around our fire.

IHP is centrally located in the Davenport area close to Jack Frost Bus Stop, Frosty Drop, Big D, The General and the cross-country trails.

20 guests can be accommodated in five cosy bedrooms.
